NEWSLETTER

VOLUME - III ISSUE -III

From The Desk of Principal

It gives me delight beyond measure to present another issue of our school's newsletter-a picturesque panorama of buzzing activities.

The previous few months have been academically grilling for the students since the board preparation was in full swing besides practical and pre-board, we were prepping the students with tips and tricks to maximise the score.

On the flip side, Modern School took the leap in providing relaxation to every shareholder in the month of December by organising MODJAM (Winter Carnival) to break the monotony of mundane phases, specifically during COVID-19 times.

Another feather in the cap was added as CBSE gave us the opportunity to host 4-day CBSE North Zone 1 Judo Championship on the school premises, which saw the presence of 850 judokas from 85 schools. The school glittered with a galaxy of key personalities, including Sh. Pankaj Singh, MLA, Noida and sports and academic gentry from the CBSE and IAS arenas. It was an honour and privilege that Modern School, Noida could give its students exposure to learn varied organisational skills which more than words can convey. We strive endlessly to stretch the boundaries to enhance our best budding scholars.

We convey our best wishes to all for the next academic session 2023-2024.
